Livin on the wrong side
Livin for myself and nobody else On a lonely road...
Hangin onto my pride
Couldn't let it go wouldn't let it out But I didn't know...

PRECHORUS

There was someone prayin for me Every night spendin
time on their knees
Askin the Good Lord to help me see...

CHORUS

There is more than just a feelin
More than the air that I'm breathin
And faith to believe in the Savior
And nothin compares to the real high,
When you lay down your whole life
There is freedom in surrender, freedom in surrender
Freedom in surrender

VERSE

Runnin with the wrong crowd
Lookin for a reason to get around But it was all a show
I was livin for the moment
Commin up with lies to hide the truth But I didn't know...

time on their knees
Askin the Good Lord to help me see...

And faith to believe in the Savior
And nothin compares to the real high
