Katy Crawford “*Dwell (Psalm 23)*”

Dwell, like all the songs on this EP, was born out of a season when I felt led to read through the book of Psalms and write a song from each chapter. In doing this, I wasn't sure what I would do with Psalm 23, as it is one of the most widely sung scriptures. I wanted to do something different from the more traditional, solemn hymn style, and make it more modern and energetic, focusing on the presence of God in our lives, no matter what we face, and on the victory of being able to dwell with Him.
