You in my life are
All that I need
All that I need
You are the light
The whole world will see Your glory

You alone are worthy of all my praise
You alone are worthy of all my praise

Hallelujah, what a Savior
Love ran so deep, Your blood has redeemed
Hallelujah, King forever
Yours is the victory
The victory

Here in this place
Open our eyes
Open our eyes
Come, Heaven come
We want to see Your glory

You alone are worthy of all my praise
You alone are worthy of all my praise

Hallelujah, what a Savior
Love ran so deep, Your blood has redeemed
Hallelujah, King forever
Yours is the victory
You've overcome, the battle's been won
Nothing can separate
Hallelujah, King forever
Yours is the victory
The victory

You alone are worthy of all my praise
You alone are worthy of all my praise

You alone are worthy of all my praise
You alone are worthy of all my praise

Hallelujah, what a Savior
Love ran so deep, Your Love

Hallelujah, King forever
Yours is the victory
You've overcome, the battle's been won
Nothing can separate
Hallelujah, King forever
Yours is the victory
The victory

The victory
The victory
The victory
Yours is the victory
