

REACH OUT & LOVE SOMEBODY

written by Jimmy Dooley/BMI/2019

V:1/ It's the best time of the year, It's a time to come together, To care for one another,
Lay our differences aside. And it's a time to think about, All those who are down & out,
To share hope with this world & give it something to believe in, The best gift you can
give don't cost a thing, So don't hold back just give yourself away.

Chorus:/ This Christmas, Reach out & love somebody, Reach out & love someone, This
Christmas, Reach out & love somebody, Make room inside your heart for love.

V:2/ Take someone by the hand, And spread a little kindness, Your smile makes it
warmer in a world that feels so cold. We can be the light that shines, To show that there's
still goodness, Bring peace back to this Earth, And live in harmony as one, The best gift
you can give don't cost a thing, So don't hold back just give yourself away.

Repeat Chorus:/

Bridge:/ Join with me & pray, To let love guide our way, Not just for a season, But let us
show love everyday

Repeat Chorus 2x
