

That's What Christmas Is

written by Jimmy Dooley/BMI/2019

V:1/ What's it about? What does it mean? Why do we sing all those carols & why do we put up the tree? How can we believe? When we're all grown up? Why do we wait all year long for this one special day to come? I guess the best way to explain, Is the way we celebrate

Chorus:/ It's spending time with family & people you love, It's the Grinch & a reindeer with the bright red nose, Singing Silent Night, That's what Christmas Is (that's what makes it Christmas, That's what makes it Christmas) It's a sweet candy cane & some mistletoe, It's wrapping up gifts to some Nat King Cole, It's Joy to the world, That's what Christmas Is (that's what makes it Christmas, That's what makes it Christmas)

V:2/ Have you ever seen, The look in a child's eyes, When they wake up Christmas morning to find that Santa Clause stopped by last night, Have you ever walked through a winter wonderland, And built a snowman with the ones that you love, You can feel the magic in the air, It's kind of hard to explain, The best way is to celebrate.

Repeat Chorus: (interlude) la la la That's what Christmas is

Bridge:/ It can take us back to our yesterday, To an old familiar place, Where memories are brought back to life, It keeps the kid in us alive

Repeat Chorus:/
