

“Heal Our Land” Lyrics

by Joan and Brad Perry

Lyrics:

If Your people will humble themselves, If Your people will pray.
If Your people will humble themselves, If Your people will pray.
Then You will hear in heaven.
You will hear in heaven.
Father, You will hear in heaven and heal our land.

If Your people turn from their wicked ways. If Your people will pray.
If Your people turn from their wicked ways. If Your people will pray.
Then You will hear in heaven.
You will hear in heaven.
Father, You will hear in heaven and heal our land.

Lord, we cry out to You. Stir our hearts anew.
Nothing left to do than to humbly come before Your throne
And to offer praise to You alone.

Hear our cry. Heal our land. Forgive us of our sin.
Make us one. Your will be done. Revive us once again.
Hear our cry. Heal our land. Forgive us of our sin.
Make us one. Your will be done. Revive us once again.

If Your people will humble themselves, If Your people will pray.
If Your people will humble themselves, If Your people will pray.
Then You will hear in heaven.
You will hear in heaven.
Father, You will hear in heaven and heal our land.
